## Summary

I am a passionate Full Stack Web Developer with 2 years of experience in the industry, specialized in creating functional and user-centric digital experiences. I am dedicated to implement innovative solutions in individual and collaborative projects. I have solid skills in multiple platforms, languages and integrated systems.

## Technologies and Tools

JavaScript, TypeScript, React, Redux, Redux Toolkit, HTML, CSS, Bootstrap, React Native, Node.js, Express, Postgres, Sequelize, Passport, Nodemailer, Tailwind CSS, Socket.io, Wordpress, Scrum, Trello, Jira.

## Experience

### Protección Laboral

Full Stack Developer

**August 2023- December 2023**

I led the development of a customized web platform to optimize Protección Laboral's document management, focusing on meeting the client's specific needs.

Outstanding Contributions:

- Vanguard Technologies Used:
  - Frontend: React.js, Redux, Redux Toolkit, CSS, Ant Design.
  - Backend: Node.js, Express, Sequelize.
  - Database: PostgreSQL.
- Efficient Document Management: I developed key functions using the aforementioned technologies to facilitate file upload and download, improving operational efficiency.
- Infrastructure Management: I coordinated hosting, domain, cloud server and mail management in DonWeb for a reliable deployment.

 Protección Laboral

### Got Guides

Front End Developer

**October 2023 - December 2023**

I contributed significantly to the development and continuous improvement of the Got Guides website, built in Wordpress.

- I performed various tasks, including style optimization to improve the site's aesthetics and user experience.
- I added new destinations, expanding the platform's offerings and improving the diversity of content.
- Implemented improvements to the contact form to facilitate interaction and efficient information capture.
- Introduced a chatbot, improving communication and providing a more interactive experience for users.
- Coordinated the translation of the site into multiple languages, expanding its global reach and accessibility to diverse audiences.
